REPORT OF COMPETITIVE EXAMINATION COACHING CLASSES

2015-2016

Department of Botany and Microbiology conducted coaching classes for competitive examinations for the students' welfare. The coaching classes has been conducted in four sessions as August, November, February and May respectively. The programme is intended to enable the students to crack the NET/SET exams. The specially designed coaching classes truly help the students to write the exams courageously.

Dr.S. Kulothungan has conducted the August session, students asked questions and discussion on various subjects develop their subject knowledge which help them to attend the competitive exams more effectively. The students of Post Graduate having aspirations in the field of higher education benefitted of this training programme. The November session was conducted by Dr.T. Kumar, thought and discussed the questions and answers. Students were very much interested to attend in every session and made the competitive examination in a useful manner.

Nearly 12 students were participated. Interaction and discussion between the presenter and students were effective and exemplary. Printed study materials also given to them. Students were given coaching for reasoning, General Knowledge, Research Methodology, Teaching aptitude, and Botany subject.

These classes were very useful to students for performing well in UGC-NET and SET Examinations.
