

DEPARTMENT OF BOTANY

Educational Tour Programme to KOLKATA and DARJEELING

List of Students of III UG, II PG Botany & Accompanying Staff members

List of Staff Members

1. Dr. S. VIJAYAKUMAR Assistant Professor
2. Dr. M. AYYANAR Assistant Professor

List of Students – II M.Sc. Botany

1. 18BOA301 AROKIA NAVEEN, K
2. 18BOA302 SWAMINATHAN, R
3. 18BOA303 AJITHKUMAR, R
4. 18BOA304 SUDHARSAN, D
5. 18BOA305 PRAKASH, P
6. 18BOA306 AGATHIYAN, R

List of Students – III B.Sc. Botany

1. 17BOA102 VISHVA SHYAM, R
2. 17BOA104 VIJAY, M
3. 17BOA105 KESAVAN, S
4. 17BOA106 PRABAKARAN, K
5. 17BOA107 SRINIVASAN, M
6. 17BOA108 MANOJ BABU, K
7. 17BOA109 RAHUL, S
8. 17BOA110 MARTIN PRAKASH, Y
9. 17BOA111 PRATHEEP RAJAN, P
10. 17BOA114 VICKRANTH, V
11. 17BOA115 MANIKANDAN, M
12. 17BOA116 PRAGADESHWARAN, P
13. 17BOA118 LAL PRASATH, N
14. 17BOA120 SURENDH, T
15. 17BOA122 JAYARAJ, R
16. 17BOA123 SAKTHI, M
17. 17BOA124 ASCAR, R
18. 17BOB203 KOWSHIK, K
19. 17BOB204 SURYA, V
20. 17BOB205 MARIMUTHU, V
21. 17BOB206 KRISHNADOSS, M
22. 17BOB207 SABARINATHAN, K
23. 17BOB209 ASHOK, K

TOUR REPORT

III B.Sc., Botany (Girls)

We 43 students were accompanied by three professors and a lady attender for a botanical tour to delhi (22.09.2019) at 11.30am by train from Thanjavur to Chennai at 6.00pm we reached Chennai Egmore (22.09.2019) and then we departed to Agra by Tamil Nadu express (23.09.2019) The entire day we were travelling morning by train and reached Agra by bus stayed there in a hotel till the next morning (24.09.2019) After 7.30 am we visited to Tajmahal at 3.00pm .Taj Mahal is in ivory white marble it looked very beautiful and the south bank of it is regarded by many of the mughal architecture Then we went to Agra fort (24.09.2019) at 5.00pm and visitd lotus temple one of the main attractions of new Delhi and visited Qutub minar it is about 2345 feet and it is victory tower and stayed in Delhi on 26.09.2019 We then went to the parliamentary house and Lok sabha. After lunch we went shopping at Sarojini shopping center. Then we reached new Delhi railway station at 10.15 p and departure to Chennai by Tamil Nadu express were in train on 28th September at 6.00 pm then we reached to Chennai and were for shopping to T.Nagar and we visited, MGR memorial on 29.09.2019 at 6.15 am we reached Thanjavur Railway station in the entire botanical tour we learned a lot and visited different places.During travel we were collected different habitats of flora. After return to lodge immediately dried the collected plants and preserved by using wood pressing plate. The main aim of botanical tour is to learn lot of information about diversity of plants.

TOUR REPORT

III B.Sc., Botany (Boys)

The department of botany had organized a study tour for the students of UG batch (2017-2020) and PG batch (2018-2020) to Darjeeling, Nepal and surrounding spots. We were accompanied by two staffs: Dr. S. Vijayakumar and Dr. M. Ayyanar. The tour lasted around one week. My experiences in the tour is given below: The previous night before the trip was filled with expectations and lots of packing works. Day 1: I gathered along with my friends in Tanjore junction to board the train at 10.50 a.m. A total of 30 students along with two staffs began the journey at 11.00 a.m. I was in one of the three compartments. The travel was enjoyable with funny chatting with friends. Around 5.50 we reached the Egmore railway station and boarded bus for Marina beach. We spent one hour playing in the beach and visited C.N. Annadurai memorial. Return was made back to Egmore station and reached the Chennai Central station, and began our journey to Kolkata at 12.00 pm. Day 2: The travel lasted for full day with happy memories. Day 3: Around 4.00 a.m we reached the Howrah railway station and had our breakfast. By 9 a.m we reached by bus to the Royal Botanical garden. The garden was full of trees, cool breeze and various flowering plants. Travelling inner we found the Botanical Survey of India, herbarium institute. The working staffs in the building taught us many ways of preserving herbarium, its history and modern technologies in it. A large, old banyan tree was sighted by us and were amazed by its grandeur. A giant lotus was found bloomed in the pond and its huge leaves were new to see. Various angiosperms and gymnosperms species were noted by us. The sun was at peak, drenching us with sweat and making us want for water. We left the garden around 3 pm for lunch. On the way we were taken to a famous Kali temple and had a good darshan of the Goddess. At 10 pm, we got in the Train for visiting New Jalpaiguri. Day 4: After arriving at Jalpaiguri at 6 am, we traveled in 3 jeeps to Darjeeling hill station. We stayed in a luxurious hotel. Then nearby local spots were seen and we were taken to a Tea Estate. Many of us bought fresh tea leaves for our houses. On the way we collected many botanical specimens of algae, fungi and bryophytes. We also saw a local Lloyd botanical garden near our hotel and stayed the full night. Day 5: By early morning we reached the tiger hills to see the sunrise. However, the weather was cloudy and we couldn't have a full view. On return journey, we got into a Tibet buddha temple and visited Himalayan zoological park. At evening time, we purchased many blankets, scarfs and tried some new dishes. Day 6: Another tea estate was visited and a short trip to Nepal border was done. Many photos were taken and it was memorable one. By evening we travelled to Victoria palace in the heavy rain. Along the way, we purchased many products in the Calcutta large bazaar and by evening visiting Howrah bridge. At night we boarded again in train to Chennai. Day 7: Travel in the Train mostly discussing memories among ourselves. Day 8: Arrival at Chennai Central railway at 3 a.m. Then by walking we reached Egmore railway station to reach tanjore. We reached tanjore at 4 pm. We assembled in the station and captured many pics as a mark to the end of the trip. All students reached their houses with full of fun, memories and knowledge
