HEALTH AND HYGIENE PROGRAM

(2018 -2019)

A two days free medical camp for all the first year students of the college from 20/12/2018 to 21/12/2018 were conducted about 200 students of science department were benefitted by the camp held in our college Auditorium.

Dr.Radhika Michel MBBS DGO was the Chief Guest of the camp the students were informed of adequate nutritious food, clean drinking water, dangerous risks of environmental pollution and so on. Apart from making them aware of their health status free samples of medicines were supplied to the students from our college health centre pre- medical check up also was a part of the health camp free preventive and curative treatments for those who had health problems were done.

Dr. Radhika Michel addressed the students on fast food culture she instructed them to have more green vegetables instead of fast food. She made them aware of eye care she told them not to use mobiles constantly and to use it when it is necessary. She talked about regular exercises and balanced food to give fine mental and physical health. The camp was a boon not only to the students but also to the faculty members. Students those who attended the camp showed their heartfelt thanks to the college by their feedback.

It helps them to get sensitized about health issues. Apart from this it also made students aware of their health status. Nowadays a lot of hospitals organize medical camps for students to make them more aware of health issues and diseases in the present scenario.

Honour bestowed on the chief guest
