Considering the significance of the noble cause for the student community, we have come forward to collaborate with each other to exchange research knowledge, expertise, laboratory and library facilities to the process of scientific research and education in the field of materials science. The parties (mentioned above as 1. & 2.) have had preliminary discussion in this matter and have ascertained areas of broad consensus. The parties now therefore agreed to enter in writing these avenues of consensus, under a flexible linkage, and this project aims to fill the gap between knowledge demand and subject expertise related to the mentioned field.

Joint Responsibilities

- Sharing of laboratory facilities, library resources, database etc.,
- Joint Publication of research articles, books, magazines, bulletins etc.,
- Jointly organizing conferences, seminars, symposia and workshops.
- Submitting joint proposals for research funding from agencies like UGC, CSIR, DST and TNSCST.

Respected Sir

Sub: Permission to avail Lab Facilities

As we agreed in our research collaboration linkage letter, I have sent a batch of seven students to your Materials Science laboratory for the period of ten days to complete their project work in the field of nanomaterials / thin films: preparation and characterization. Kindly do the needful to complete the experimental part of their project work.

Name of the Students:

1. P. Ilakkiya
2. B. Jeevabharathi
3. G. Nandhini
4. J. Pavithra
5. V. Priyanka
6. S. Punitha
7. M. Ramya

Permitted

J. R.

HEAD,
Major Research Department of Physics,
Sri Pushpam College (Autonomous),
POONDI, Thanjavur- 613 Thank You
